Bombolulu Workshop Provides Employment for the Disabled

The Bombolulu Workshop in Mombasa, a USAID sponsored project, enables persons with disabilities to overcome their physical limitations and empowers them economically by providing employment. The workshop is a program of the Association for the Physically Disabled of Kenya (APDK) and trains over 150 persons with disabilities in handicraft production and related business skills. On January 20, the CAO visit the Bombolulu Workshop and saw first hand the beautiful work done by the skilled craftsmen.
